Please mark these dates on your calendar. Remember that every student is required to attend these concerts as part of the curriculum of the class. If a student has a conflict with a performance or rehearsal, an Absence/Tardy Request Form (available in the choir classroom) must be completed and given to Mr. Vander Velde at least 1 week prior to the respective concert or rehearsal (emergencies are of course exempt from this requirement). Students who miss rehearsals or performances will need to do a make-up assignment (even if the absence is excused). Wardrobe information will be available in October.

Please call or email Mr. Vander Velde with any questions:
